

AVIATION CAREER SUMMIT

presented by Republic Airways and sponsored by the State of Indiana, Office of the Chief Equity, Inclusion and Opportunity Officer

October 21-23, 2022

INSPIRING, CONNECTING AND SUPPORTING FUTURE AVIATION PROFESSIONALS

Shape the **FUTURE OF AVIATION**

Help support the education of the next generation of aviators.

The Aviation Career Summit is a three-day event for students as well as job seekers and career changers interested in the exciting and growing aviation industry. Aviation offers incredible opportunities and is seeking to welcome people of all backgrounds and cultures.

This transformative event will educate and inform a younger and more diverse audience of Hoosiers about careers in aviation, job opportunities, aviation schools and job-ready programs. The summit is an exciting opportunity to introduce our youth to a rich aviation ecosystem that can open new avenues of careers they were unaware existed.

The mission of this event is to:

- Inspire and expose students to the world of aviation
- Provide opportunities and build relationships with various universities, companies and organizations here and outside Indiana
- Recruit and retain talent here in Indiana while also being a catalyst for economic growth

THE AVIATION CAREER SCHOLARSHIP FUND

Funds raised during this event through your sponsorship will support various aviation scholarship funds. These scholarships help keep aviation education within reach by providing financial support to students and aviation-related programs.

Scholarships are awarded to students currently enrolled in an accredited aviation program or those who are in an aviation-related program. Our scholarship fund aids those students who may find it difficult to enter the aviation industry due to financial barriers. Many of these students have complex schedules and dynamic personal situations, yet they strive to continue their education, maintain a successful academic track record and advance their professional ambition.

Attendance at the Aviation Career Summit is a requirement to receive a scholarship, in addition to providing a unique networking opportunity.
